- Tuesday 14:00-17:00

Description

The nursery Nischler was founded in 1985 and can look back on more than 30 years of experience. Today it is one of the largest tree nurseries in Europe, with administrative seat in Schlanders (BZ) and the production seat in Albaredo d'Adige (Province of Verona). The annual production of apple trees is around 5/6 million, 60% of them are Knip plants and 40% are plants of 1 year. They are cultivated on an area of about 500 hectares, other crops grow on another 150 hectares.
